Details of other family dogs: .....

Food brand (and if wet/ dry):.....

Total amount of exercise out the house per day (*n/a for young puppies*):.....

What are your training aims? .....

.....

Veterinary practice responsible for your dog.....

## I agree to these rules:

- I will not attend classes or 121 training if my dog is unwell (coughing, being sick, diarrhoea, not eating, unusually sleepy, skin condition, injured etc.), and I will inform Sarah of this as soon as possible.
- I understand that if my dog becomes aggressive or difficult to manage around others in a class, I may need to arrange some 121 training before continuing.
- I will pay on time and in full for each training/ behaviour session.
- If enrolled on a class I will inform Sarah if I can't come, or if I wish to stop.
- I will take responsibility for my dog, and be considerate to others (so that my dog's behaviour doesn't upset or frighten other dogs, animals or people).
- I make a commitment to my dog by promising to find solutions to problems, and not just ignore issues in the hope that they'll go away.
- I agree for me and my dog to be occasionally filmed or photographed for use on Sarah's social media/ website etc, to promote reward-based training.
