

Canine Behaviour Consultation Form

Your name.....

Address.....

.....Postcode.....

Telephone no. (Mobile).....(Home).....

Email:

Veterinary practice responsible for your dog.....

Your dog's name.....

Age.....

Breed/Type.....

Male or Female?

Neutered?

If yes: What age were they when they were neutered?

Were there any changes in their behaviour after neutering?

If yes: Please describe these changes.

.....

Where did you obtain your dog (breeder/ rescue etc)?

At what age?

What was your reason/s for getting your dog?

.....

Please *briefly* describe the reasons for arranging a behaviour consultation.

.....

.....

.....

Please list (with ages for those 16 or under) all members of your household:

.....
.....

Please briefly describe the relationship between family members and your dog:

.....
.....
.....

Please briefly describe the behaviour of your dog towards visitors to the house:

.....
.....
.....

Do you have other dogs at home? If yes, please detail age, sex and type:

.....
.....

Do you have any other pets? Please state species/ number/ age etc, and how (if at all) your dog interacts with them.

.....
.....
.....

What is your dog's daily diet?

Brand:

Dry/ moist/ wet/ combination?

How many meals?

Treats/ special food:

Are there any foods that cause physical/ behavioural problems for your dog?

.....

Please describe your dog's daily exercise (away from the house/ garden).

.....
.....

Please describe how much time you (or other family members) spend playing with or training your dog in your house and garden each day?

.....
.....

Please describe, in as much detail as possible, the issues you are having with your dog. Please use extra paper if you need more space.

It would be useful to include:

- when the problems began
- what behaviours are displayed
- when the behaviour is displayed (i.e. what are the triggers?)
- what you have done to try to stop them from happening, and whether this had any effect on your dog's behaviour
- any other information you feel will be helpful
